

# HP ZBook 8 G2i 16 inch Mobile Workstation PC (E1MF9AT)

## Overview

### Step up to mobile pro performance.

Accomplish more anywhere[1]. The HP ZBook 8 introduces top performers to AI workstation power in a slim, light design to stay productive on demanding tasks like 3D modeling, design reviews, and architectural layouts – wherever your work takes you.

### Mobile performance. Upgraded.

Bring your biggest idea to life faster. With a Intel® Core™ Ultra 3-series CPU with Copilot+ NPU[2], advanced integrated or discrete graphics, and large memory configurations[3], the HP ZBook 8 delivers reliable pro app performance.

### Unleash Local AI Power on ZBook 8

Save time for your best work with local AI on the ZBook 8—a powerful Copilot+ PC. Offload and run AI productivity tasks locally on the NPU[2] while also tackling demanding AI enhanced professional workflows.

### Ready to work. Anywhere.

Take your work with you in a thin and light laptop with a long lasting-battery[4]. Dual cooling fans allow you stay productive without overheating, and reliable connectivity options[5] help you stay connected wherever you are.

### Designed with purpose

HP is innovating with purpose to drive impactful, lasting change. This device is ENERGY STAR® certified, EPEAT Gold[6] registered and has attained EPEAT Climate+. Its cover and keycaps are crafted with 50% recycled aluminum and 50% recycled plastics[7].

## Features

### HP recommends Windows 11 Pro for business

Work anywhere without compromising on performance with Windows 11 and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.<sup>[8]</sup>

### Intel® Core™ Ultra Processor

Unleash productivity with a new architecture that delivers power-efficient performance for complex business workloads and is purpose-built for the next era of AI software by sending the right task to the right engine at the right time.<sup>[9]</sup>

### HP Fast Charge

Ultra-fast recharge takes you from zero to 50% charge in just 30 minutes.<sup>[10]</sup>

### Spill-resistant Keyboard

Accidents happen - which is why we designed our keyboard with a drain hole, so minor spills flow out the bottom for easy cleanup.

### Fast and efficient wireless LAN

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 7.<sup>[11]</sup>

### Industry-leading security features

Advanced security features come standard. System safeguards like HP Sure Start – the industry's first self-healing BIOS – mean your device is locked down tight, so your data and identity are too.

---

*[1] Compared to HP ZBook G1a.*

*[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding, and/or naming is not a measurement of higher performance. Optional feature that must be configured at purchase. Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.*

*[3] Graphics and memory are optional features that must be configured at purchase.*

*[4] Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark30 battery benchmark.*

*[5] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices. Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels. Available on select configurations.*

*[6] Applies to HP PCs, Workstations and Displays manufactured after January 2019. Based on most Gold and Silver EPEAT® registrations by meeting all required criteria and achieving 50-74% of the optional points for EPEAT® Silver and 75-100% of the optional points for EPEAT® Gold according to IEEE 1680.1-2018 EPEAT®. EPEAT tier levels may vary by country. See [www.epeat.net](http://www.epeat.net) for registration status and tier levels by country.*

*[7] Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT standard for computers, IEEE 1680.1-2018 standard.*

*[8] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>. Microsoft Copilot requires Windows 11. Some features require an NPU. Timing and availability will be dependent on Microsoft and varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.*

*[9] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. Optional feature that must be configured at purchase*

*[10] Recharges the battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.*

*[11] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices. Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.*

| Product Color Description (fixed)       | Meteor silver aluminium                                                                                                                                     |
| Processor Family                        | Intel® Core™ Ultra 7 processor                                                                                                                              |
| Processor Name                          | Intel® Core™ Ultra 7 356H (up to 4.7 GHz with Intel® Turbo Boost Technology, 18 MB L3 cache, 16 cores, 16 threads) <sup>[6,7]</sup>                         |
| Standard Memory Description 01          | 48 GB DDR5-5600 MT/s (2 x 24 GB)                                                                                                                            |
| Hard Drive Description (01)             | 1 TB PCIe® Gen5 NVMe™ M.2 SSD                                                                                                                               |
| Memory Card Device                      | 1 smart card reader                                                                                                                                         |
| Graphics Card Segment 01                | Integrated                                                                                                                                                  |
| GScardseg 01 Available Card 01          | Intel® Graphics                                                                                                                                             |
| Display Description (metric)            | 40.6 cm (16") diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 400 nits, 100% sRGB                                                                           |
| Display Description                     | 16" diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 400 nits, 100% sRGB <sup>[7,24,35,37]</sup>                                                             |
| Display Size (diagonal, metric)         | 40.6 cm (16")                                                                                                                                               |
| Display Size (diagonal)                 | 16"                                                                                                                                                         |
| Audio Features                          | Audio by Poly Studio, 2 integrated stereo speakers (1W/8 ohm per speaker), discrete amplifiers, 2 integrated dual array digital microphones                 |
| Product Dimensions W x D x H (metric)   | 35.9 x 25.1 x 1.9 cm<br>(Dimensions vary by configuration)                                                                                                  |
| Product Dimensions W x D x H (imperial) | 14.13 x 9.84 x 0.75 in<br>(Dimensions vary by configuration)                                                                                                |
| Keyboard                                | HP Premium Keyboard – spill-resistant, backlit keyboard with numeric keypad                                                                                 |
| Pointing Device                         | Clickpad with multi-touch gesture support, taps enabled as default                                                                                          |
| Integrated Camera                       | 5 MP IR AI camera                                                                                                                                           |
| External I/O Ports                      | 1 HDMI 2.1; 1 3.5 mm audio combo jack; 2 Thunderbolt™ 4 with USB Type-C® 40Gbps signaling rate (USB Power Delivery, DisplayPort™ 2.1) <sup>[12,13,14]</sup> |
| External I/O Ports 02                   | 1 USB Type-A 5Gbps signaling rate; 1 RJ-45; 1 nano security lock slot; 1 USB Type-C® 10Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4)           |
| Wireless Technologies                   | Intel® Wi-Fi 7 BE211 (2x2) and Bluetooth® 6.0 wireless card                                                                                                 |
| Power Supply Required                   | HP 100 W wall mount USB Type-C® GaN power adapter                                                                                                           |
| Battery Type                            | HP Long Life 8 cell, 77 Wh Polymer                                                                                                                          |
| Battery Recharge Time                   | Supports battery HP fast charge: approximately 50% in 30 minutes <sup>[43]</sup>                                                                            |

**Sustainability Specifications**

Molded paper pulp cushion inside box is made of 100% recycled or certified sources; Outside box and corrugated cushions are 100% from certified or recycled sources and recyclable; At least 40% post-consumer recycled plastic; Low halogen; Bulk packaging available; External power supply 90% efficiency

**UPC Number**

---

*[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.*

*[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.*

*[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.*

*[12] Maximum speed requires DisplayPort™ and PCIe aggregation.*

*[13] HDMI cable sold separately.*

*[14] SuperSpeed USB 20Gbps is not available with Thunderbolt™ 4.*

*[24] HD content required to view HD images.*

*[35] HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.*

*[37] Resolutions are dependent upon monitor capability, and resolution and color depth settings.*

*[43] Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.*
